

BUILDING THE MOST RUGGED PRODUCTS WITH UNRIVALED CRAFTSMANSHIP AND CUSTOMIZATION

EXPRESS

DEPENDABLE PERFORMANCE IN A COMPACT DESIGN

The Express delivers proven Braun reliability with measurable advantages—the efficient 144” module significantly reduces operational costs through decreased downtime and lower maintenance requirements.

Meticulously engineered with Braun’s signature attention to detail, the Express has earned the trust of fleet managers and department chiefs nationwide for its serviceability and operational efficiency in a compact footprint.

Available as a Type III configuration with two versatile chassis options, the Express provides the performance your department demands without stretching your financial resources.
