

BUILDING THE MOST RUGGED PRODUCTS WITH UNRIVALED CRAFTSMANSHIP AND CUSTOMIZATION

RUGGED DURABILITY MEETS SUPERIOR FUNCTIONALITY

The Super Chief delivers uncompromising performance through its robust construction and expansive 170" module is specifically engineered for departments facing high-call volumes and demanding operational conditions.

Featuring an industry-leading 73.5" headroom clearance and strategically designed interior workspace, the Super Chief maximizes both equipment capacity and clinical functionality when every second counts.

Available on two specialized chassis platforms with comprehensive customization options—including department specific color schemes and premium-grade interior materials—the Super Chief adapts to your department's exact specifications while maintaining the structural integrity required for mission-critical emergency response.
